Sir,

Sub: Regarding rescheduled calendar of events for tenders due to maintenance of E-procurement portal.

In view of the above, it is noticed that, there are many tenders, which have been scheduled to be opened. But , till date as per the error message appeared in the E-proc website, the function of E-proc portal has not been resumed as re-scheduled by the E-proc and its leading to inconveniences for the bidders and the Board. This will delay the entrustment of essential works like water supply & UGD projects.

In this regard, it is hereby requested to do the needful regarding restoration of E-procurement portal as soon as possible. In case it is found that, the restoration of E-proc portal requires more time; Further directions may please be issued at the earliest.

Yours faithfully,
